

(2) The Secretary determines the extent to which the applicant—

(i) Is committed to the magnet schools project; and

(ii) Has identified other resources to continue support for the magnet school activities when assistance under this program is no longer available.

§ 280.32 How is priority given to applicants?

(a) *How priority is given.* In addition to the points awarded under § 280.31, the Secretary gives priority to the factors listed in paragraphs (b) through (d) of this section by awarding additional points for these factors. The Secretary indicates in the application notice published in the FEDERAL REGISTER how these additional points will be distributed.

(b) *Need for assistance.* The Secretary evaluates the applicant's need for assistance under this part, by considering—

(1) The costs of fully implementing the magnet schools project as proposed;

(2) The resources available to the applicant to carry out the project if funds under the program were not provided;

(3) The extent to which the costs of the project exceed the applicant's resources; and

(4) The difficulty of effectively carrying out the approved plan and the project for which assistance is sought, including consideration of how the design of the magnet school project—e.g., the type of program proposed, the location of the magnet school within the LEA—impacts on the applicant's ability to successfully carry out the approved plan.

(c) *New or revised magnet schools projects.* The Secretary determines the extent to which the applicant proposes to carry out new magnet schools projects or significantly revise existing magnet schools projects.

(d) *Selection of students.* The Secretary determines the extent to which the applicant proposes to select stu-

dents to attend magnet schools by methods such as lottery, rather than through academic examination.

§ 280.33 How does the Secretary select applications for new grants with funds appropriated in excess of \$75 million?

(a) In selecting among applicants for funds appropriated for this program in excess of \$75 million, the Secretary first identifies those remaining applicants that did not receive funds under this program in the last fiscal year of the previous funding cycle.

(b) The Secretary then awards ten additional points to each applicant identified under paragraph (a) of this section.

Subpart E—What Conditions Must Be Met by a Grantee?

§ 280.40 What costs are allowable?

An LEA or consortium of LEAs may use funds received under this part for the following activities:

(a) Planning and promotional activities directly related to the development, expansion, continuation, or enhancement of academic programs and services offered at magnet schools, though planning activities are subject to the restrictions in § 280.41(a) and do not include activities described under paragraph (f) of this section.

(b) The acquisition of books, materials, and equipment (including computers) and the maintenance and operation of materials, equipment and computers. Any books, materials or equipment purchased with grant funds must be:

(1) Necessary for the conduct of programs in magnet schools; and

(2) Directly related to improving student academic achievement based on the State's challenging academic content standards and student academic achievement standards or directly related to improving student reading
